Her Worship Mayor Stephanie Killam
District of MacKenzie
P.O. Bag 340
Mackenzie, British Columbia V0J 2C0

Dear Mayor Killam:

I am pleased to appoint you as the Chair of the Muskwa-Kechika Advisory Board pursuant to section 9 of the *Muskwa-Kechika Management Area Act*. You will soon receive your official re-appointment to the Board of Directors effective April 1, 2012.

I am confident that you will provide leadership to the Advisory Board in its role of providing balanced advice for a diverse, job-supporting economy in the context of sustainable environmental management in this area. It is important that the Advisory Board have a clear, measurable strategy to guide its operations and I look forward to your guidance over the next year.

With a renewed membership, the Advisory Board has already initiated a process to re-invigorate its operations and re-orient its activities to address both the wilderness and economic values that are present in the area. I encourage you, as Chair, to continue this process.

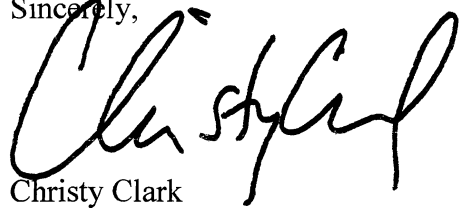

The BC Jobs Plan is government's commitment to maintaining strong families in British Columbia, while ensuring an environment that we are proud to pass on to future generations. This includes not only managing the environmental and social values important in the Muskwa-Kechika Management Area, but also living within our economic means in the province. It will be important for the Advisory Board to consider how to continue to operate in the face of ever-tightening government budgets. I encourage the Advisory Board to consider this in developing its operational and strategic plans.

The Honourable Steve Thomson, Minister of Forests, Lands, and Natural Resource Operations, and I look forward to seeing the Advisory Board develop clear, measurable goals and objectives that provide advice to government on balanced and efficient decision-making for natural resource management in the Muskwa-Kechika Management Area.
